Collin Mueller* and Bryce Bartlett, "Heterogeneity in U.S. Immigration Policy Regimes and Mexican American Functional Limitation Trajectories," *Journals of Gerontology, Series b* (Forthcoming).

Molly Copeland*, Bryce Bartlett, and Jacob Fisher*, "Dynamic Association of Network Isolation and Smoking Behavior," *Network Science* (Forthcoming; preprint: <https://osf.io/5nfx7/>).

Heather Greenhalgh-Spencer* and Bryce Bartlett (2010). "Ethical Breach and the Schizophrenic Process: Theorizing the Judge and the Teacher," *Journal of Education Controversy*, 5(2).

Under Review & Working Papers

Bryce Bartlett, "New Ways to Die in the Age of Biomedicalization: How Alternative Causal Models from Multiple Cause of Death Records Show Social Stratification across Race, Gender and Age."

Bryce Bartlett, "Coevolution of Medical Malpractice Claims and Mortality Due to Complications from Medical Care."

Bryce Bartlett, Collin Mueller*, and Raphaël Charron-Chénier*, "Budgetary Consequences of High Healthcare Spending Across the Life Course."

Bryce Bartlett, "Long Term Benefit or Scar: How Experience with Recessions in Young Adulthood Impacts Subjective Well-Being."

Bryce Bartlett and Cyrus Schleifer, “Projecting Religious Switching in America: A Bayesian Cohort Component Method.”

Scott Lynch and Bryce Bartlett, “Appropriate Confidence Intervals for ‘Eyeballing’ Statistically Significant Differences Between Groups.”

EXPERIENCE

Information Initiative at Duke, Duke University

March, 2017– August, 2017

Project Manager

- Consulting for Durham Police Crisis Intervention Team regarding mental health, including police incident reports and 911 call reports
- Supervise team of 3 Duke Students in analyzing structured and unstructured data; classification; and predictive modelling
- Provide instruction on presentation of technical results to non-technical audiences

Project Website: <http://bigdata.duke.edu/projects/mental-health-interventions-durham-police>

Duke University Arts and Sciences

July, 2016–August, 2016

Instructor (Introduction to Sociology)

- Independently prepare full course introducing social science methods and theory to students.
- Present on topics ranging from health and illness, to business, to statistical analysis and critical thinking.
- Evaluate written performance, knowledge, and presentation skills.
- Course Quality: 4.67 out of 5; Instructor Quality: 4.90 out of 5

Duke University Arts and Sciences

January, 2013– May, 2013

Teaching Assistant (for George Grody)

- Independently prepare requirements for discussion section for students in Markets and Management Capstone (a business simulation course; 2 sections of 20 each)
- Evaluate team performance and decision-making for business simulation
- Instruct teams on strategic data analysis

Husch Blackwell LLP

September, 2005 – August, 2012

Associate Attorney (Healthcare, Tort, and IP)

- Prepare and conduct semi-structured interviews of fact witnesses. Prepare and give presentations in court, business settings, and professional meetings
- Analyze, critique, and cross-examine expert opinions of Medical Doctors and Economists.
- Hire expert economists and supervise preparation of present-value reports
- Assist as second chair in the management of cases with budgets over \$1 mil. Manage cases with budgets of \$25k independently, and negotiate independently with \$25k in settlement authority
- Manage teams of 5 attorneys and paralegals in preparing presentations and written work product

TECHNICAL SKILLS

Methods: ordinary least squares (OLS) regression, multiple regression, multivariate outcomes, logistic and probit models, factor analysis, survival, time series, hierarchical linear modelling (HLM) / mixed models, mixture modelling, structural equation models (SEM), factor analysis, networks, demographic methods, data visualization, Bayesian estimation, handling complex survey data, handling missing and messy data

Software: R, Stata, Python (scipy, numpy, pandas), SAS, Mplus, Stan, WinBUGS, MySQL, LaTeX

GRANTS/AWARDS

2013-2017 Demography of Aging T32 Pre-Doctoral Traineeship (5T32AG000139-27)
2016 Population Association of America, Best Poster Award
2014 Second Place ASA Datathon “Big Cities, Big Data” (cash prize)
2012 Duke Sociology Department Fellowship
2005 Breckenridge Book Award – Research and Writing
2005 Charles Wendell Carnahan Award – Conflicts of Law
2005 Order of the Coif
2005 Honor Scholar Award
2003 Honor Scholar Award
